"We'll have these

moments to remember" 

MISS HAZEL SOLOMON
Class Sponsor

An inspiration to all, she has been the one person who has helped us most during our three years as a student nurse. With gratitude for her faithful guidance, we, the Senior Class of 1956, proudly dedicate this edition of the Lamp to our class sponsor, Miss Hazel Solomon, R.N.

DEDICATION . . .

...IN APPRECIATION

To you whose responsibility it is to mold good nurses we find it difficult to express our appreciation for your inspiration, patience, and understanding throughout our three years at Charlotte Memorial Hospital. We will always remember your encouragement,

praise, and willingness to help us in any way possible; and most of all, that slight push when we needed it most. With these thoughts, we, the Senior Class of 1956, wish to express our sincere appreciation to the faculty.

The Women's Auxiliary of Charlotte Memorial Hospital has as its sole purpose to serve this institution. It is our aim to find and supply needs whenever possible, in any phase of its operation. We feel that the Nursing School is a very important part of the hospital. Therefore any service we can render to the student nurses is one of our most effective functions. We gain satisfaction in contributing whenever possible to the progress and well-being of the students. For in the student nurse lies the future of the nursing profession.

CLASS HISTORY

On September 7th, Labor Day of 1953, a great event in the world of labor, began the history of another class of long laboring, hard working student nurses. Fifty-one bundles of protoplasm entered the doors of Charlotte Memorial Hospital full of joy, excitement, energy and ambition; mixed with a little sadness. We were all glad to be here and could hardly wait to see our roommates. But our happiness was shattered when we had to wave good-bye to our parents, friends and boyfriends, and we were left alone in a new world of which we knew very little or nothing about. Alas, there was no time for tears, with five days of parties, gayness and making of new acquaintances. Then the big blow came—CLASS! Along with class came the ever eternal study hours, unforgettable exams, and a bedlam of new experiences. After many hours in the lab and class room our nursing arts instructors finally had the courage to let us venture forth into the hospital to give nursing care to real patients. There just weren't enough mirrors when we first donned our new uniforms of which we had dreamed for so long.

Leading us through our probie days were Lucille Smith as president and Peggy Carter as vice-president. Sarah Burns was kept busy as secretary while Flora Tomberlin proved to be a faithful treasurer. At the Halloween Carnival we integrated our talent into a show called, "Hi Ho, Come to the Fair," where we all pitched in and helped with the fun. The greatest thrill of all thrills was Capping in May when we all became full fledged members of the school. With the cap came a new challenge and zeal for our chosen profession.

Our Junior year proved to be more than we had anticipated — more studies, more work. But we slowed down long enough to give our production. "Who put the Stink in Sugar Creek," at the Halloween Carnival. It wasn't the greatest but it *was* original! Our class officers for this year were Pasty Jackson: President, Mary Faye Williams: Vice-President, and Rachel Patterson as Secretary and

Treasurer with Billie June Crisp taking over when Rachel was in Pennsylvania for Psychiatric affiliation. In the spring our efforts were united in planning for the "Cruise to Hawaii" for our Seniors at the Junior-Senior Banquet. We portrayed the real Hawaii with palm trees, moonlight, music, and hula girls.

Our Senior year started with a pleasing event, the receiving of a back stripe for our cap indicating a higher role in our profession. Our President was Marlene Bowlin, Vice - President: Freida Cloer, Secretary: Margie Tesseneer, and our Treasurer was Betty Gaddy. Everyone worked their hardest in making our Halloween talent show a big success, winning first prize! December finished up our Psychiatric affiliation in Pennsylvania so to celebrate we all had fun together at the S&W for supper.

Here, at the latter part of our Senior days as student nurses we look forward to the Junior-Senior Banquet and our Spring dance. We think one of our greater thrills of our Senior year has been working on this year's Lamp. But most of all we're looking forward to receiving another black stripe, a white uniform, a pin, and a diploma. We'll stop here in the middle of a fond dream of forty-three Seniors in white uniforms carrying a dozen red roses across a green lawn to end three years of hard and faithful service to a well chosen and beloved profession.

THE NURSE

Tall daughter of an ancient race, she stands
Benign and beautiful and strong and wise.
The world, like a tired child beneath her hands
Sleeps and is healed.

So often her grave eyes have looked on pain and death,
That by her will
The terrors of the night are held at bay—
Under her touch our quivering nerves are still
And all the thirsty torment of the day
Is bearable because her strength is near.

Her heart with service as its chosen star
Helps us to overcome our sickly fear
And where she is, hope and compassion are;
Thus excellently, power and pity blend
In Healer, Mother, Comforter, and Friend.

—Oriana Atkinson

ALMA MATER

Where the tall pines meet the sky
 And to great ambitions give start,
 That's where the heavenly beams shine down
 And throw a light on each heart.
 Our Alma Mater true, Memorial's Nursing School:
 Your worthy goals and noble aims
 To us will ever appeal.
 To thee we pledge our hearts and lives,
 Memorial, our great ideal.

LET **ME** HELP, NURSE

I can keep the room cool for you, help you get rid of germ laden dust, give your patients protective, non-glaring light, guard their food and medicine.

In the diet kitchen, laboratory or operating room—whenever your healing service calls—you'll find me right there, ready to go to work, day or night.
